

## EXECUTIVE SUMMARY

Praise God! 2022 was a landmark year for Life! After 50 years, Roe v Wade was overturned, and the landscape around abortion in our nation radically shifted.

Yet, even with the prohibition in Texas, **abortion remains an attainable reality, and the lives of the unborn are in danger** right here in Fort Worth.

- Abortion pills are readily accessible from overseas online vendors and through black market networks.
- Fort Worth women are traveling out of state with some trips funded by pro-abortion organizations.
- Women in Fort Worth continue to believe the lie that abortion is the only solution for an unplanned, unwanted pregnancy.

**We remain steadfast, a lighthouse in the darkness, to reach HER...this woman in front of us, facing an unplanned pregnancy, desperately seeking hope and help at her point of need.**

Our Board has doubled down on our commitment to our mission – to empower young women and men to make positive decisions about their unplanned pregnancy. What does that commitment look like?

- Focusing even more energy on our primary client: the abortion-minded woman.
- Allocating more resources than ever to reach women online as they search for solutions.
- Expanding our medical team and implementing an optimized model of client care.
- Strengthening our network of referrals, resources, and services to empower her to choose Life.

As you read in these pages what God has done in 2022, I hope you notice a pattern of miraculous surprises: a unique opportunity to enhance our facilities, an unexpected level of interest in joining our work, and an outpouring of generous support for Life. There is much to celebrate and much more to be done!

Pressing on to the glory of God,

Cindy Leach, CEO

# Center MAKEOVER

After 13 years in this location, FWPC got a makeover! In 2022, we were blessed by a generous family foundation with the funds to remodel the Center. Two talented interior designers donated their time and talents to create a contemporary, welcoming atmosphere in the Center.

## Divine PRIORITIES & PROVISION

In the Fall of 2022, we made the decision to exit the Alternatives to Abortion state of Texas funding program. The decision was made in order to reduce areas of mission drift, to more fully focus on our mission of serving the abortion-minded client with life-affirming care, and to empower every person on our team to share the gospel and speak spiritual truths when prompted by the Holy Spirit.

We have walked away from significant funding in order to be obedient to the Lord's calling. We are trusting God and the faithfulness of our partners like you to make up the difference.

*And my God will supply every need of yours according to his riches in glory in Christ Jesus.*

PHILIPPIANS 4:19

## Our PARTNERS

The Lord uses a diverse team of financial partners to support this ministry. Most are individual men, women, and families following the Lord's call to be guardians of the unborn.

**64%** of our funding comes from individual donors  
**26%** of those gifts are from faithful monthly givers

**16%** of our funding comes from partner churches  
**21** local churches support us financially

Recently, we asked our partners why they support this Ministry. Here were their top 3 answers:

1. A belief in the sanctity of human life as ordained by God
2. A heart for the unborn, grieved by abortion
3. Compassion for moms & families facing an unplanned pregnancy

# Prayers FOR 2023

Thank you to all of you who receive our Prayer Partner emails and intercede for clients and babies at risk. We have seen firsthand the power of your prayers in seemingly impossible circumstances. If you would like to receive our Prayer Partner emails, contact Alex at [Alexn@fwpc.org](mailto:Alexn@fwpc.org).

Will you pray for the Center in 2023?

- That many moms, babies and families would be spared the tragedy of abortion
- For the Lord's provision and providence
- For guidance and wisdom for the leadership team
- For successful online marketing that reaches the abortion-vulnerable
