

Fort Worth Pregnancy Center

Job Description

Position: Ultrasound Technologist/Sonographer

Division: Medical

Supervisor: Nurse Manager

Category: **Part-time (18hrs)** (Hourly)

Description: The Sonographer for the Fort Worth Pregnancy Center will provide 1st and 2nd trimester limited ultrasound exams and other medical services as required. The ideal candidate will be a strong servant-leader, a self-starter, highly organized, with excellent verbal and writing skills.

Requirements:

Must be a committed Christian who demonstrates a personal relationship with Jesus Christ as Savior and Lord. Must exhibit a strong commitment and dedication to the pro-life position and sexual purity. Must agree with and be willing to uphold the Statement of Faith and all Policies of the Center.

Qualifications:

Licensed as an RDMS in the state of Texas. Proof of current licensure is required. Proof of training/certification and approval for performance of obstetrical ultrasound. Must attend Client Advocate training and shadow the Client Services Director for proper instruction of care of the Abortion-risk client.

Duties

Client Care:

- Provide ultrasounds for abortion-risk clients.
- Provide urine pregnancy testing and results to clients.
- Review all ultrasound client records for completion and accuracy.
- Render reports to clients upon receipt from the Medical Director.
- Complete all paper and digital charting as per policy and procedures.
- Refer clients for appropriate medical care with their doctor or the emergency room as deemed necessary and appropriate.
- Provide feedback for any new Client Advocates serving as witness in ultrasound.
- Obtain permission to follow up and document communications.
- Train additional medical staff/volunteers in sonography as requested.

Center Operations:

- Ensure that medical equipment is properly operated and maintained.
- Participate in in-house training and in-services.
- Facilitate training of new nurse sonographers through hands-on training of supervised scans

Staff Relations:

- Encourage harmony and unity within the staff and volunteers.
- Participate in annual evaluation process, including setting of goals and self-assessment.
- Cover everything in prayer.

Continuing Education:

- Comply with state and professional licensing and continuing education requirements.
- Annual renewal of BLS CPR Certification.
- Ongoing self-education of current abortion procedures and risks.
- Education webinars or training as recommended by the Nurse Manger or CEO.
