Fort Worth Pregnancy Center
Job Description

Position: Ultrasound Technologist/Sonographer

Division: Medical

Supervisor: Nurse Manager

Category: **Part-time/PRN** (Hourly)

Description: The Sonographer for the Fort Worth Pregnancy Center will provide 1st and 2nd trimester limited ultrasound exams and other medical services as required. The ideal candidate will be a strong servant-leader, a self-starter, highly organized, with excellent verbal and writing skills.

Requirements:

Must be a committed Christian who demonstrates a personal relationship with Jesus Christ as Savior and Lord.

Must exhibit a strong commitment and dedication to the pro-life position and sexual purity.

Must agree with and be willing to uphold the Statement of Faith and all Policies of the Center.

Qualifications:

Licensed as an RDMS in the state of Texas. Proof of current licensure required.

Proof of training/certification and approval for performance of obstetrical ultrasound.

Must attend Client Advocate training and shadow with Client Services Director for proper instruction of care of the Abortion-risk client.

Duties:

1. **Client Care**
   - Provide ultrasounds for abortion-risk clients.
   - Review all ultrasound client records for completion and accuracy.
   - Refer clients for appropriate medical care with their doctor or the Emergency Room as deemed necessary and appropriate.
   - Provide feedback for any new Client Advocates serving as witness in ultrasound.
   - Comply with state and professional licensing requirements.
   - Obtain permission to follow-up and document communications.

2. **Center Operations**
   - Ensure that medical equipment is properly operated and maintained.
   - Participate in-house training and in-services.
   - Facilitate training of new nurse sonographers through hands-on training of supervised scans

3. **Emergencies**
   - Emergency calls – refer caller to a local hospital emergency room, her own physician's office, and/or advise her to call 911.
   - Medical emergency on site- call 911. Notify Client Services Director and/or Nurse Manager of situation and action taken.
