

IMPACT 2025

FOR *Abundant Life*

**JOHN

OUR *Mission*

To empower young women and men to make positive decisions about their unplanned pregnancy.

OUR *Vision*

A community where all human life is valued, protected and nurtured.

EXECUTIVE *Summary*

Serving as CEO of this ministry is a responsibility I do not take lightly. Every day, I see women and men walk through our doors carrying real fear, real questions, and in need of real hope in the face of their unexpected pregnancy.

While the thief comes to steal, kill, and destroy life, **Jesus offers full, abundant life.** That truth defines our mission. We see how the lie of abortion steals hope and destroys lives. Our calling is to come alongside and empower positive choices through compassionate care and the life-giving hope of the gospel.

This report reflects what God accomplished in 2025 through faithful partners like you. Because of your prayers, generosity, and service, women and men encountered care rooted in truth, families were strengthened, and unborn lives were protected. Every statistic reflects a priceless image bearer, uniquely designed and loved by God.

Thank you for standing with us in this mission. It is an honor to labor together pointing people toward life and abundant life found in Christ.

With joy and gratitude,

Cindy Leach, CEO

One of the greatest things that happened to me during my pregnancy was being introduced to the Fort worth pregnancy center. As a first time mom, I was so scared. They talked me through it, educated me, and gave me resources that would be needed for my baby. I'm forever grateful for them.
